BOOK SYNOPSIS

The official comics adaptation! The action of the Clone Wars comes to a dramatic conclusion, and events are put in place for A New Hope. Battles rage in space, armies clash on alien worlds, heroes become martyrs, and friends become enemies- all leading up to the biggest, longest, and most incredible lightsaber duel in Star Wars history! This is the film that answers the questions, How did Anakin succumb to the dark side? What happened to Luke and Leias mother? And why are there no Jedi around in the original Trilogy? Artist Doug Wheatley (Star Wars: Empire volume two) brings a level of life and detail to the adaptation that rivals that of the films themselves. An epic graphic novel not to be missed!
