BOOK SYNOPSIS

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearsons MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearsons MyLab & Mastering products. Packages Access codes for Pearsons MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Updated in its 7th edition, *Working Through Conflict* provides an introduction to conflict and conflict management that is firmly grounded in current theory, research, and practice, covering the whole range of conflict settings (interpersonal, group, and organizational). Encompassing a broad spectrum of theoretical perspectives, the text includes an abundance of real life case studies that illustrate key concepts and help students learn how to apply theory. The books emphasis on application of concepts makes it highly accessible to students, while expanding their understanding of both conflict theory and practical skills.
